Re: Federal Jury Service

Dear Juror:

You have been chosen for jury service in the United States District Court for the District of Massachusetts. You should have received a Summons from the clerk directing you to appear at the United States Courthouse in Boston, Massachusetts on March 13, 2006. Along with that Summons, the Clerk enclosed a "Juror Information Card" (Form A0-229). You have probably filled it out and returned it to the Clerk by now.

The attached is a more detailed "Juror Questionnaire". Please complete it at this time. The time and effort you invest now should save you (and many others) much time and effort in the future.

The Court greatly appreciates your cooperation.

Very truly yours,

Clerk

INSTRUCTIONS FOR JURORS

The attached questions must be answered by you. They will assist the Judge and the lawyers in selecting a jury. Your complete written answers will save a great deal of time for the Judge, for the lawyers and for you.

Take your time. Answer all the questions to the best of your ability. DO NOT ASK FOR HELP.

There are no right or wrong answers. The only requirement is that the answers be full and honest.

We need you candid answers so that we pick a fair and impartial jury for a trial involving criminal accusations. The Judge and the lawyers realize that every person has beliefs and prejudices concerning many things. You should answer with your true feelings, whatever they may be. Do not assume that any of your answers will qualify or disqualify you from serving on this jury.

Do not assume anything from these questions. The fact that they are being asked does not necessarily have anything to do with the evidence that you will hear.

Please fully answer each question to the best of your ability. Write or print clearly. You must not ask anyone for help. Do the best you can. That will be good enough.

If you cannot answer a question because you do not understand it, write "Do not understand" in the space provided. If you cannot answer because you do not know, write "Do not know" in the space after the question. If you need extra space to answer any question, please take advantage of the sheet

PERSONAL AND CONFIDENTIAL JURY QUESTIONNAIRE

of paper provided at the end of the questionnaire. Rather than leaving out information, turn to the back and complete your answers on the blank sheet provided.

We are sure you understand the importance of juries to our American system of justice. We are confident that you also appreciate your duty as a citizen to serve as a juror if you are eligible. Your cooperation in completing and returning this “Juror Questionnaire” is part of that duty. Without your help our courts cannot operate properly in accordance with the United States Constitution.
